

Staff in the Spotlight Cassidy

Cassidy was born and raised in the Yukon and loves all the opportunities it has given her. She enjoys camping, fishing, hiking and spending time in the outdoors with friends and family. She has had the amazing experience of representing the Yukon on many occasions. Cassidy competed in the 2016 Arctic Winter Games for futsal and is currently training on the volleyball team for the 2020 Arctic Winter Games. Also, she has played at National Championships for both volleyball and soccer and attended the Canada Summer Games in 2017 for swimming. The Canada Game Centre has allowed her to train to her highest ability. Last summer, Cassidy worked as a Camp Counselor and she is now an Activity Monitor. She loves everything about the job, especially working with children. She is so happy to be a part of this work environment.
