

NORTHERN ELITE SPY TASKFORCE

Good day Recruits,

We are glad you have considered joining NEST. Your first assignment is to complete and submit the "NEST Application Form." While that is being processed, it is your job to print off the "Cypher Wheel" attachment, and build it. Once you have your own cypher wheel, decode this message. This message reveals a secret about the Northern Elite Spy Taskforce.

Good Luck Recruits,

KEY = N
