Large open space that provides a unique venue for a variety of outdoor events.

This area includes a picnic gazebo, tables, four standalone briquette barbeques and washrooms. Power and free City of Whitehorse Wi-Fi is available on site. Personal barbeques are welcome or bring your own briquettes for the standalones.

Please note this gazebo does not include a firepit, however there is a campsite nearby (site #23) that can be rented simultaneously with your day use area booking. Firewood is not included, but can be purchased from the campground or bring your own firewood. This option can be booked the day of the event – provided it is available – by letting our campground staff know. Please bring your own roasting sticks.
