

- Transmission from Agent Red October - Contents: Secret Cypher -

This is Agent Red October,

I have to make this quick. I figured out the coordinates that lead to Dr. Vespuchi's secret lair. I can no longer go there, but NEST must send agents to the lair to stop his evil plans.

This is **TOP SECRET** information. I will send the coordinates in a cypher. You must figure out what Key Character to use though.

I have to go! Good luck!
