

Topic 6: Highway Development

Eleven groups of 5 to 8 people gave their input on each of the following questions. The number beside each response indicates how many times it was heard.

New Highway nodes or expansion of existing nodes?

- 5 Expansion/densification of existing nodes
- 1 New nodes where appropriate

What uses should be allowed?

- 4 Commercial that does not compete with Downtown
- 3 Transportation/trucking uses
- 2 Regulation of appearance is more important than specific uses
- 2 Increased service commercial (e.g. 'large format' retail)
- 1 Commercial/industrial mix e.g. like Marwell
- 1 Service industrial
- 1 Business parks
- 1 Tourist-oriented commercial uses

Topic 7: Agriculture

Should the OCP allow minor agricultural activities within urban residential neighbourhoods?

- 8 Community gardens – expansion / encouragement
- 7 Conditional yes to urban chickens – with restrictions
 - 1 Only allow on lots of certain size
 - 1 Only if number of animals is limited
 - 4 Do study to look at other municipalities – how they dealt with noise, smell, etc.
 - 2 No roosters
- 2 Encourage fruit-bearing landscaping
- 1 No to urban chickens

Should there be new areas in the City for larger-scale agriculture?

- 3 Yes – notes include: start small, land should be leased
- 3 No – notes include encourage it outside City limits; this is not good use of land in urban area
