

Topic 3: Urban Residential Development

Eleven groups of 5 to 8 people gave their input on each of the following questions. The number beside each response indicates how many times it was heard.

How much more new urban residential development is needed?

- 6 New areas need to be planned for
- 3 Whistle Bend and densification of existing areas will accommodate 25 years of growth

Where should new urban residential areas go?

Refer to the map to see areas that were drawn.

- 11 Densify current neighbourhoods (but not necessarily through infill)
- 6 From Long Lake to old Sewage Lagoons
- 4 Beyond Copper Ridge / Lobird area
- 3 Porter Creek "D"
- 2 More density Downtown
- 2 Grey Mountain Road
- 1 Current "large format" retail area
- 1 Old Town
- 1 Marwell
- 1 Undeveloped lands along Pine Street
- 1 Grey Mountain School site
- 1 Adjacent to McRae
- 1 Around Yukon College
- 1 McLean Lake area
- 1 Fish Lake Road
- 1 Between Kopper King and Raven's Ridge
