

COUNCIL QUESTIONS & ANSWERS

Meeting date: September 7th

1. Why is this project coming forward on the Upcoming Procurements as a priority when it is not on the 2021 Capital Projects list?

The Rotary Peace Park Irrigation Replacement project was a “re-budget” from 2020. In the 2020 Capital Ranking process it scored a 26 was deemed a priority and was subsequently approved by Council, subject to external funding approval. Because this project is a re-budget from 2020, it is not reflected in the 2021 Capital Projects list but it is included in the upcoming procurements information.
