

# **HANDY BUS DOOR TO DOOR LOCATIONS**

The City will continue to provide door-to-door Handy-Bus service consistent with existing Handy-Bus policy. At locations where an accessible door cannot be reached without jeopardizing the safety of passengers, the public, or contravening Handy-Bus policy, the City will designate pick-up and drop-off locations for non-residential locations and publish them on the Handy-Bus web site and in print material. Such designated locations will be safe, accessible, and in reasonable proximity to the desired locations.
