Key-informant interviews (Nov - Dec 20	115)						
External interviews: what's working?		1		_			
City planning, engagement and		{		x	! ! !		
management	Some feeling the city is doing a good job on engagement in recent years Some feel a multi-use trail policy is inclusive and maximizes stewardship of trails; segregated trails a recipe		 -	<u> </u>	1 J	Thank you! We are trying and using the International Association for Public Participation as a guide	
	for conflict	x		 	6,26,27	As per City Trail Plan	
		{			23,27,28,37,42,		
	City allows low-impact commercial activities in park	×	; 	 		As per Regional Parks Plan and Community Economic Development Strategy Thank you! The City appreciates and acknowledges the role of partner organizations in improving the Parks values	
	The City is a great partner to work with	X	 	 	<u> </u>	Thank you! The City appreciates and acknowledges the role of partner organizations in improving the Parks values	
Natural features	Cantlie Lake: great summer and winter destination		! ! !	x	1 1 1	We know Cantlie Lake is an important destination. While outside the Park, the City will continue to allow access along the Cantlie Lak Road	
ivaturar reatures	Yukon Energy Hill, at the north end of Schwatka Lake, is good winter paragliding area	×	 	 	 	The area is within the Park boundary	
	3, , , , , , , , , , , , , , , , , , ,		- 		1,6,20,22,24,26,	-4	
	Lots of wildlife in the park – lynx, mule deer, caribou and bears so close to urban centre	X	 			·	
	City open to new ideas, such as fat-bike snow packing pilot on the Magnusson Trails		 	X	 	Trail Plan allows for new ideas to be vetted by Trails and Greenways Committee	
Trails & trailheads	Livingstone trail for snowmobiling			X	1 J	We know Livingstone Trail is important residents, especially snowmobilers. Access will remain open Great! These areas are within the Park boundary	
	Lakeshore trails – amazing trail network Multiple trailheads: Magnusson, Tower / El-Camino, Chadburn Ski Trails, summit, across from YG Education	X	. 		i 	Great! These areas are within the Park boundary	
	Building, Long Lake, behind the hospital, Pee-Wee hill	Х		1 1 1	23,29	As per Trail Plan	
Facilities & programming	Has Rifle & Pistol Club close to city			Х	- - -	Rifle and Pistol Club within Park boundary and has separate and pre-existing agreement with the City	
		x		- - - -	23,27,28,37,42,		
	Yukon Conservation Society guided Canyon tours	} {		 	45	City is grateful to the service YCS provides to Park visitors	
	Lakes good for commercial non-motorized boating operators (e.g.: stand-up paddle board lessons)	x	1 1 1	 	23,27,28,37,42, 45		
Importance to Whitehorse	Chadburn is a highly valued asset to residents and tourists	×			2,23	As per Regional Parks Plan and Community Economic Development Strategy As per Regional Parks Plan	
External interviews: what could be imp	proved?	1		-	·		
Communication	Trail communication generally, seldom proactive or easy to access, poor maps	x	i i i	1 1 1	21,29,34,40,44	Plan outlines some tangible steps to improve communication	
	Trails: still lacking clarity on where motorized forms of recreation are and are not permitted to travel	}	- <u>'</u>		J	Plan seeks to improve communication. Motorized recreation directed by Trail Plan. Will work with Trails and Greenways Committee	
		x	 	x	6,21,26,27,29,34	I,4to improve communication	
	City did not communicate the identification of these parks in the 2010 OCP. These parks are not known	}			24 20 24 40 44	We heard this a lot and are hopeful this planning process and future communication activities will increase resident awareness of this	
Engagement resources & expertise	Some feeling the city is nandering to the loudest voices	{ X {	 -	×	21,29,34,40,44	and other Regional Parks We believe we designed a comprehensive and inclusive process and would be happy to rationalize our approach	
Linguigement, resources, & expertise	Some feeling the city is pandering to the loudest voices	{ {			 	We believe we designed a comprehensive and inclusive process and would be happy to rationalize our approach Due to this comment, we hired the Boys and Girls Club to provide free child-minding for participants at the Ideas Fair in February. The	
	Engagement processes need to be more inclusive – some have young kids, evening meetings a challenge	x	! ! !	¦ !	Planning process	City will continue to strive and host inclusive public engagement events	
	City has minimal budget for implementation		 -	х	 	Planners have considered budget realities in developing this Plan to ensure it is implementable	
	Concern the city does not have a comprehensive recreational, environmental, and heritage inventory	}			i I		
	therefore, how can you plan if you don't know what you have City does not have ecological expertise	X	. 			or City mitigated this early comment by producing a comprehensive Background Report available online. Or Planning team included a consultant biologist who curated existing ecological studies	
Trail planning	Out and away MMU trails don't lead anywhere		 - <u> </u> 	\^ \X	background Kep	Plan is consistent with Trail Plan and MMU trail work conducted by Trails and Greenways Committee	
	Motorized recreationists' concerned over-restrictions on where they can ride		 	x		Plan is consistent with Trail Plan and MMU trail work conducted by Trails and Greenways Committee	
	Concern snowmobiles are free to go almost anywhere, which leads to damage and noise (bylaw is too vague		 	 	 		
	and does not consider different snow levels / times of year)	x	 	x	2	7 Plan is consistent with City's existing Snowmobile Bylaw and Parks and Parks and Public Open Space Bylaw	
	Concern that multi-use policy is exclusive because those seeking a quiet non-motorized experience can't get		 		6 26	Plan considers single-use trail designation where multi-use adversely impacts cultural and /or ecological resources and/or	
	it because there are no non-motorized only trails Trail braiding along Grey Mtn. Ridge, erosion	×	- <u> </u>		6,26 21,28	compromises user safety. Plan consistent with Trail Plan which supports multi-use trail development. Plan includes initiative to improve the Grey Mountain Summit trail	
	Trail planning and decision making process vague, ad hoc, and not well communicated	}	· 	x	:	Trail Planning follows Trail Plan and guided by Trails and Greenways Committee	
	Trails and Greenway Committee: it's a sad statement when certain meetings need to go in camera	}		X	i i	Trails and Greenways Committee process established through city policies and procedures	
	Ensure trail development is done to a high standard especially if volunteers	}		 		Trail development guided by Trails and Greenways Committee and implemented by City trails crews and recreation organizations sucl	
Enforcement		} 	. 	X		as Contagious Mountain Bike Club using best practices	
Enforcement	Motorboats used in lakes even though not permitted; needs greater enforcement Long Lake is a big party area	X	<u> </u>	X		17; Plan abides by Parks and Public Open Space Bylaw which regulates motorboat use in Park lakes 17; Plan abides by City bylaws which are complaint-driven	
	People drive too fast on roads	x	- L	x	-!	7 Plan abides by City bylaws which are complaint-driven; RCMP regulates motor-vehicle use on City roads	
	Lots of dog droppings on shorelines, especially Long Lake		- 	 	 	Plan includes initiative to develop dog-owners education program and materials to promote responsible dog walking in sensitive	
		X	!	i	2	20¦ecosystems and wildlife areas, including shorelines	
External interviews: ideas and opportu		(_		1		
Enhanced experience	A management plan is an opportunity to further protect and enhance trail network	 	 	X	167202427	We agree; this management planning exercise is guided by the Regional Parks Plan	
	Any kind of infrastructure that enhances the user experience to the maximum number of people in the least				•	2 Infrastructure is a critical aspect of how people experience the park. The Plan heavily considers infrastructure design and maintenance that considers recreational, ecological, and heritage values, and is consistent with the multi-use principles set-out in the	
	environmentally impactful way	X		i i i	7,28,29,34,35, 38,40	Trail Plan and Parks and Recreation Plan	
	Wilderness camping experience (not a drive- in) to allow people to stay longer and explore more	X		- 	22,41	The Plan recommends the provision of remote access wilderness camping opportunities to enhance visitor experience	
	Clear some shoreline for more dedicated beach area	X	 -		21,29	Plan includes initiative to improve Chadburn Lake day use area including an expanded beach area	
Interpretation	Greater interpretation and education	x			22,23,29,33,34,		
		{			38,39,43	Plan includes multiple initiatives to improve education and interpretation opportunities as per Regional Parks Plan	
	YCS would be interested in doing more interpretive walks if more capacity	}		x	23,27,28,37,42, 45	City is grateful to the service YCS provides to Park visitors	
	Develop an observatory and other viewing areas to take in night sky	X			22,29,41	The Plan supports the development if an observatory as led by a third-party	
	Miles Canyon & Canyon City	v		 	23,29,43	YCS and tourism-operators provide interpretive walks in these areas, both of which are within the Park boundary. KDFN is the lead	
		, ,			; 	government behind any future interpretive planning and Canyon City; City and YG to support	
Trails	Hospital Hill: proximity to hospital and health walks liked marked and marketed loop	X		i	23,29,43	Plan includes initiative to improve trail signage and wayfinding	

	Enhanced fat-biking infrastructure	x	х	7,26,29	Park Plan identifies management area types to guide Trails and Greenways Committee interpret Trail Plan and therefore new trail and trail-related infrastructure development
	More trailheads & more signage – identify trail loops	{x		23,29,43	Plan includes initiative to improve trail signage and wayfinding
	Opportunity to connect Chadburn trails with hospital and downtown (especially with a pedestrian bridge)		х		Not within scope of Plan, however City is aware of bridge idea and all trail connectivity is considered b the Trails and Greenways
	Grey Mountain Ridge trail & full Yukon River trail (whole city)	x	x	21,28	Plan includes initiative to improve the Grey Mountain Summit trail; Yukon River trail exists within the Park, outside boundaries should
	Connect Summit to 'Mother Tucker'	Y		21 28	be considered by Trails and Greenways Committee as per Trail Plan Plan includes initiative to improve the Grey Mountain Summit trail and connect to Mother Tucker trail
Stewardship	Schools: Chadburn is in their backyard	x		36,41	Plan includes partnerships with schools
	Outdoor education programs; Porter Creek High uses Mt. Mac	х		22,29,41	Plan includes initiative to support development of an outdoor education centre at Chadburn Lake, as led by outside partners
	Great citizen engagement can lead to greater stewardship	x		9,22,33,39,41	As per Regional Parks Plan
	Public education campaign on trails and good trail use	X		7,26,27,28 9,22,33,39,41	¦As per City bylaws and Trail Plan ¦As per Regional Parks Plan
	Connecting people to where they are Increased citizen trail stewardship (like a patrol, can provide information, do basic maintenance, and gather	} X			As per Regional Parks Plan
	information)	X		9,22,33,39,41	As per Regional Parks Plan and Trail Plan
Marketing	City could market trails better to visitors and residents who don't use the trails: existing guide is not user	}		!	· · · · · · · · · · · · · · · · · · ·
	friendly and tourists seeing information elsewhere, missed opportunity. E.g.: there is no information on	х		21,40,44	
	where the trailheads exist; great if you know but what if you don't Trails and Greenway Committee: might get more value if project-based as opposed to ongoing	{		; ; ;	Plan includes initiative to develop and deliver marketing and communication material Outside of Plan scope, feedback will be considered by City
1 1011111111111111111111111111111111111	Trails and Greenway Committee: would be stronger if clearer mandate and ToR; City should refocus need			' 	duside of Fian scope, recuback will be considered by City
	and evaluate the desired outputs and outcomes of the committee	{	Х	! !	Outside of Plan scope, feedback will be considered by City
	For engagement, go to Chadburn where people are recreating	X		Process	Draft Plan engagement process will implement tactical engagement in Chadburn Lake Park
	Planning process is opportunity to better understand and plan around ecology of park and surrounding area	x		Background	
				Report	Planning team included a consultant biologist who curated existing ecological studies We are hopeful this planning process and future communication activities will increase resident awareness of this and other Regional
	Chadburn process is first for city, should generate more interest in the area and other parks/processes	x		21,29,34,40,44	Parks
	Diagning process apportunity to evaluate eviating to: In Dather walls are 1	}		7.20.20	Trails and Greenways Committee guides trail development and maintenance as guided by Trail Plan; Park Plan establishes
	Planning process opportunity to evaluate existing trails. Do they make sense? Focus on loops	X	X	7,26,29	management zones to help guide this process
	Develop set of guiding principles for new trails development	x		7,26,29	Park Plan identifies management area types to guide Trails and Greenways Committee interpret Trail Plan and therefore new trail and
Cofoty	First aid haves at cortain areas and amorgansy responder mustors points	{		21 40 44	trail-related infrastructure development Park Plan identifies initiative to install first aid box(es) and emergency muster points at key locations
Safety	First aid boxes at certain areas and emergency responder musters points Drinkable water taps at key intersection	x		21,40,44	City does not have the resources to install and maintain drinking water taps at this point:
Access	Improve access to Grey Mtn. Summit, better road (need to consider vandalism, may increase or reduce)	X		 	For future consideration subject to road conditions and sufficent public demand
	Improve Long Lake parking and infrastructure would make it a better destination	х		7,21,40	Plan includes initiative to formalize and improve parking and boat launch at Long Lake
Creative partnership	Biathlon Club looking at partnership with CMBC to better use their facility	}	x	ļ 	Outside the scope of the Plan; great to see community groups exploring mutually beneficial partnerships
		'			
Tourism	Use Yukon College; find win-win opportunities	\ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \ \	X	22 27 20 27 42	Though not formally in the Plan, the Regional Parks Plan speaks to developing a partnership with Yukon College
Tourism	Winter fat-bike tours; Summit trail is a tourism opportunity	x	x		Though not formally in the Plan, the Regional Parks Plan speaks to developing a partnership with Yukon College Plan includes initiatives that support tourism which is consistent with park's recreational, environmental, and heritage values, as guided by Regional Parks Plan
City staff interviews: themes	Winter fat-bike tours; Summit trail is a tourism opportunity	x	×		guided by Regional Parks Plan
	Winter fat-bike tours; Summit trail is a tourism opportunity Illegal dumping happens in several areas in the park	x	X		guided by Regional Parks Plan Plan abides by City bylaws which are complaint-driven
City staff interviews: themes	Winter fat-bike tours; Summit trail is a tourism opportunity Illegal dumping happens in several areas in the park Costs money to clean up	x	X X X		guided by Regional Parks Plan Plan abides by City bylaws which are complaint-driven Plan abides by City bylaws which are complaint-driven

Improve trail communication	Inform the public about current trail designations and trail maintenance	x		21,29,34,40	Plan outlines some tangible steps to improve communication
Improve bylaws	Rectify bylaw and trail use inconsistencies		Х		No plans to review or amend bylaws at this time
Involve people	Communicate with, and directly involve, citizens throughout the park management plan	х			The Chadurn Park planning process abides by the International Association for Public Participation and its Core Values
Beach at Chadburn Lake	For the Chadburn Lake plan, I think you should put more beach area near the boat launch/dock area. Just clear some about 40feet of brush and dump sand down. Whitehorse needs more dedicated beach	X		21,29	Plan includes initiative to improve Chadburn Lake day use area including an expanded beach area
Protect wetlands	In particular, we agree that all wetland habitats should be included within ESA 1. We suggest that these areas be managed in a manner that minimizes negative impacts. This would include not routing new trail development within these areas and consideration of rerouting existing trails around these areas. We acknowledge that this is not always an option and therefore encourage where trails, either currently or in the future, cross ESA 1 areas, particularly wetlands, that adequate measures are taken to minimize development impacts such as using bridges or boardwalks as part of the trail system	х			As per OCP and Regional Parks Plan
Zoning	According to the Official Community Plan, Chadburn Lake Park is currently zoned as greenspace. Given the options under the zoning bylaw this designation is likely the most appropriate however zoning is open for amendment at any time if a proposal is put forward. Our organization would like to see some form of designation that is more permanent than what is currently in the zoning bylaw if possible.		x		Similar comments received during Regional Parks Plan process; to be considered during next OCP process
High orienteering value	Chadburn Park has been and will continue to be extremely valuable as an orienteering area due to its complex topography; relatively undisturbed/undeveloped character and proximity to downtown Whitehorse. As documented recently by plan consultants, the park area has been used several times for western and Canadian Orienteering Championships. In addition, YOA hosted 90 Swedish orienteers at long Lake at a special competition during their north American tour. They were especially impressed at the complexity of the area detail	х		3	As per Regional Parks Plan, Chadburn Lake Park includes recreational values such as orienteering
Beach at Chadburn Lake	This marks the third time over a fifty year period, that I have made this proposal to develop a sandy beach at Chadburn Lake.	Х		21,29	Plan includes initiative to improve Chadburn Lake day use area including an expanded beach area
