

Organics Sorting Guide

These items go in your green cart or bin.

All food waste

Yard waste, grass clippings, leaves, cut plants, wood shavings

Food-soiled paper

Shells, bones and meat

Compostable dishware and bags

Yikes! Contaminants in green carts!

Plastic garbage bags, hazardous waste containers, and recyclables don't belong in your green carts.

These items cause damage to the compost equipment and can contaminate our compost with plastic.
