

Curious about e-bikes?

The City of Whitehorse has developed a bylaw for e-bike use in our city and on our trails to:

- ✓ Protect the trails and natural areas we love
- ✓ Minimize conflict with other trail users and wildlife, as our trails are a shared resource
- ✓ Get more people onto bikes and actively commuting
- ✓ Facilitate different ways for people to access our trails

	Class 1 Pedal-assist (max speed 32 km/hr) + Adaptive Mountain Bikes	Class 2 Throttle-assist (max speed 32 km/hr)	Class 3 Pedal or throttle-assist (max speed 45 km/hr)	E-mobility Devices E-scooters, e-skate boards, Onewheels, hoverboards
Roadways Bike lanes and shoulders	✓	✓	✓	✓
Motorized, multi-use trails (e.g. Copper Haul Rd)	✓	✓	✓	✓
Type 1 / paved trails (e.g. Millennium and Waterfront trails)	✓	✓		✓
Type 2, 3, 4 single-track, dirt trails (e.g. Boogaloo, Hawk Ridge, Easy Money)	✓			

Remember to wear a helmet and share the trails.
