AMENDMENT NOTICE

SERVICING STANDARDS MANUAL – CURRENT STANDARD DETAILS

Date: December 3, 2018

File: 2018_AN_SSM_004

General

The intention of this amendment notice is to remind stakeholders that all sections of the Servicing Standards Manual are available for download on the City of Whitehorse Engineering Services webpage at <https://www.whitehorse.ca/departments/engineering-services/engineering-standards>

This includes all current Standard Details, many of which have been revised since rollout of the last revision of the Servicing Standards Manual (2007).

Please ensure you are referencing the latest versions of the details by visiting the webpage, checking the revision date of each detail and downloading the updated files accordingly.
