To Whom it May Concern,

This is an email to let the City of Whitehorse and City Councillors know that *Winterlong Brewing Co.* is in full support of the proposed development (Conditional Ues) at 101 Mount Sima Road.

As a neighbouring business to *Landed Bakehouse* and also a resident of the Whitehorse Copper Country Residential Subdivision, I think the proposed eating and drinking establishment would be an asset to our area.

It will complement what is already offered in our Tasting Room, at *Winterlong Brewing Co.* and provide a food and drink service outside of our existing business hours.

We truly look forward to this added service in the Mount Sima neighbourhood.

Sincerely,  
Meghan Marjanovic  
Co-Owner
