---

**Diagram:**

- **647** and **648** are marked on the diagram.
- The diagram includes various pipes and connections marked with distances and directions.
- The green street is marked as South.

---

**Notes:**

- The diagram shows various connections and lines, indicating the layout of the water system.
- The distances between points are marked, such as 34.6 m, 75.2 m, 135.0 m, 15.6 m, etc.
- The diagram is designed to clearly show the connection points and layout of the water main system.
