

COUNCIL QUESTIONS & ANSWERS

Council Questions – Standing Committee January 22, 2024

1. Commencement Report – Copper Haul Road Improvements

- a. Are we obligated to maintain the Copper Haul Road as part of the Trans Canada Trail? What standard are we maintaining the road to?*

A portion of the Trans Canada Trail runs along the Copper Haul Road, however, there is no agreement obligating the City to maintain the trail.

The culvert replacement will be completed to all regulatory and environmental standards. No other road work or maintenance upgrades are planned as part of this project.

2. Copper Ridge Master Plan

- a. Where are alternate trails and greenspace in the area?*

Attached is a map showing trails, parks, and greenspace in the area. The distances of the various amenities from the site in question are also shown on the map with the closest at 165m.

3. Lease Renewal – Downtown Urban Garden Society

- a. Have we talked to Yukon University and the Downtown Residents Association regarding the lease?*

No, we do not undertake consultation regarding lease renewals.
