

Proposed Text Amendments to the Zoning Bylaw

1. Modify the definition of 'Natural Resource Extraction':

"NATURAL RESOURCE EXTRACTION" includes the quarrying, ~~mining~~, processing, removal and off-site sale of sand, gravel, earth, ~~mineralized rock~~, water, or other similar natural materials **but does not include the extraction of "minerals" as defined in the Quartz Mining Act SY 2003, c. 14.**

2. Modify regulation 6.15.1 as follows:

6.15.1 Prior to any gravel ~~or mineral~~ extraction, the applicant shall provide all applicable information as set out in section 4.4 of this bylaw, time frames for phases of extraction, a plan of restoration, and a Yukon Environmental and Socio-Economic Assessment Board (YESAB) decision document (if YESAB legislation is triggered). The plan of restoration may include future development plans that are supported by the Official Community Plan and zoning.
