

# YOUTH CLUB REPORT CARD

2024/2025

Youth Club is a free, drop-in recreation space based out of the Canada Games Centre offering low-barrier opportunities for youth to build confidence, community, and connection. Our programs are active all over Whitehorse and surrounding areas. **Come see what we're all about!**

## F - Free

Youth Club fits your life. We're open Wednesday through Sunday, with flexible evening hours and structured drop-in activities—all at no cost. Yup, you read that right: totally FREE.

## E - Elevate

We believe in growing together through the good stuff and hard stuff. Our programs are designed to develop teamwork, problem-solving and essential skills for life.

## D - Dream

We create space for imagination to take the lead. Youth Club is where big ideas start small, through art, play, and conversation. It's where future chefs, leaders, artists, and friends come together and where kids feel safe enough to just be themselves.

## C - Connect

The Hang Hub is located on the main floor of the Canada Games Centre, is where you lounge with friends, hit the PS4 or jump into a group activity. Either way, the Hub is a good hang.

## B - Be you!

Youth Club is a place where youth can show up just as they are, and we guide them to where they want to be.

## A - Adventure

Bring your curiosity and we will bring the fun!
