Food For Fines

Food For Fines is back for another year!

If you receive a parking ticket between Saturday, November 22 and Saturday, December 6, you can make a food donation equal to or greater than the value of the ticket rather than paying the fine.

Expired parking meter and two-hour zone ticket fines are eligible.

Donations will go to the Whitehorse Food Bank and Kaushee's Place.

Online payments for eligible tickets will also be donated.

Online payments can be made by visiting:
whitehorse.ca/online-payment.

FireSmart Canada Neighbourhood Recognition

Are you passionate about wildfire safety? The City is seeking residents to serve as Neighbourhood Champions and work with neighbours to reduce wildfire risk to the community through the FireSmart Canada Neighbourhood Recognition Program. FireSmart Canada will provide up to \$1,000 to support groups that join the program. Learn more by emailing firesmart@whitehorse.ca.

Snow and Ice Control

We all have a role to play in snow removal. Business and commercial properties must have snow and ice cleared from adjacent sidewalks and accessible parking spaces by 11 a.m. the morning after a snowfall. Residential properties need to have snow and ice cleared from sidewalks within 48 hours of a snowfall. For more information, including snow clearing schedules, visit whitehorse.ca/snow.

Holiday Lights Tour

We invite you to share the holiday spirit and put up your festive lights between now and Sunday, November 30. Our dedicated Lights Crew will be touring Whitehorse neighbourhoods to create this year's maps for the City's self-guided lights tour. Add your home to our list for consideration at whitehorse.ca/lights.
