CITY NEWS HIGHLIGHTS JANUARY 9, 2026

In Focus

Art Installations

The City is inviting proposals from artists for public art installations.

Art work will be installed at the Robert Service Campground Building, the Whitehorse Operations Building Expansion wing, as well as other locations.

To view the RFP documents, visit whitehorse.ca/procurement.

Key dates:

Monday, January 27, 5 pm:
Deadline to submit questions

Monday, February 2, 3 pm:
Submission deadline

Have questions about the RFP?
Please contact:
procurement@whitehorse.ca.

Selected artwork will contribute to the cultural and aesthetic value of each facility, enhancing their presence in the community.

Interim City Manager

Valerie Braga has been appointed as Interim City Manager. City Council has initiated a process to recruit a new permanent City Manager. Ms. Braga will serve as Interim City Manager until a new City Manager is appointed by City Council.

Snow And Ice Removal

City crews and contractors are working around the clock to clear snow throughout Whitehorse. It is important to drive carefully and be mindful of conditions. Give yourself extra time to reach your destination, exercise caution and be patient with fellow travellers. Please pay attention to signage and equipment, and give space for crews to work safely. We appreciate residents' support as this important work continues. Visit whitehorse.ca/snow for info.

On The Move

Several City departments will soon be moving to the Whitehorse Operations Building at 187 Range Road. This includes Land and Development Services and Building Services as of January 12, and Planning and Sustainability Services and Economic Development as of March 2. We don't expect any interruptions in service. Visit whitehorse.ca/contact-us for info about how to reach these departments.

Christmas Tree Disposal

Dispose of your Christmas tree by bringing it to the Waste Management Facility. Residents can drop off their natural trees for free throughout January. Trees must be brought separately from other waste to avoid mixed load disposal fees.

Gear Down In Town

When travelling to the trails within city limits, the City's Snowmobile Bylaw requires riders to travel respectfully and slowly on trails, especially those close to residential areas. Learn more at whitehorse.ca/snowmobiles.

Next City Council Meeting

The next Council meeting is Monday, January 12 at 5:30 pm in City Hall Council Chambers. City Hall is located at 2121 2nd Avenue. Please use the Steele Street entrance. Find info at whitehorse.ca/meetings.
