CITY NEWS HIGHLIGHTS JANUARY 23, 2026

## In Focus

### City Hall Renovations

Renovations will be underway at City Hall to increase the energy efficiency of the building and improve accessibility.

Fencing will be erected around the building for the duration of the renovations, which are scheduled to start in February and continue until September. The public is asked to exercise caution when in the area.

The Second Avenue entrance of City Hall will remain open throughout the renovations so residents can pay parking tickets, invoices, utility bills and property taxes. Residents can also visit [whitehorse.ca/online-payment](https://whitehorse.ca/online-payment) to make a payment and set up pre-authorized payments.

City Council will continue to meet in Council Chambers on Monday nights with public access available at the Steele Street entrance. For more information about City Council, visit [whitehorse.ca/city-council](https://whitehorse.ca/city-council).

## Expressions of Interest sought

The City is requesting Expressions of Interest for developing the property at 4210 Fourth Avenue. The 0.75-hectare site is zoned mixed-use commercial with a maximum building height of 30 metres. Expressions of Interest are due February 9. Learn more by visiting the City's [procurement portal](https://whitehorse.ca/procurement-portal) or contacting [procurement@whitehorse.ca](mailto:procurement@whitehorse.ca).

## On The Move

Several City departments are moving to the Whitehorse Operations Building at 187 Range Road. Land and Development Services and Building Services moved in on January 12, and Planning and Sustainability Services and Economic Development will relocate as of March 2. We don't expect any interruptions in service. Visit [whitehorse.ca/contact-us](https://whitehorse.ca/contact-us) for info about how to reach these departments.

## Snow And Ice Removal

City crews and contractors are continuing to work around the clock to address snow and ice throughout Whitehorse. It is important to be mindful of conditions and drive carefully. Give yourself extra time to reach your destination, exercise caution and be patient with fellow travellers. Please pay attention to signage and equipment, and make sure to give space for crews to work safely. We appreciate residents' support as this important work continues. Visit [whitehorse.ca/snow](https://whitehorse.ca/snow) for more information.

## Community Clean-up Grants

Help keep your community clean! If your organization is looking to help clean up the community, apply for a Community Clean-up Grant by March 15. Visit [whitehorse.ca/grants](https://whitehorse.ca/grants).

## Christmas Tree Disposal

Dispose of your natural Christmas tree for free in January by bringing it to the Waste Management Facility. Trees must be brought separately from other waste to avoid mixed load disposal fees.

## Next City Council Meeting

The next Council meeting is Monday, January 26 at 5:30 pm in City Hall Council Chambers. City Hall is located at 2121 2nd Avenue. Please use the Steele Street entrance. Visit [whitehorse.ca/meetings](https://whitehorse.ca/meetings).
