## City Hall Renovations

City Hall is undergoing renovations to increase the energy efficiency of the building and improve accessibility. Fencing will be erected around the building with renos scheduled from February to September. The Second Avenue entrance will remain open and residents can continue to front desk services. City council will continue to meet with public access available at the Steel Street entrance. Visit [whitehorse.ca/city-council](https://whitehorse.ca/city-council) for more information about Council meetings.

## Expressions of Interest sought

The City is requesting Expressions of Interest for developing the property at 4210 Fourth Avenue. The 0.75-hectare site is zoned mixed-use commercial with a maximum building height of 30 metres. Expressions of Interest are due February 9. Learn more by visiting the City's [procurement portal](https://whitehorse.ca/procurement) or contacting [procurement@whitehorse.ca](mailto:procurement@whitehorse.ca).

## On The Move

Several City departments are moving to the Whitehorse Operations Building at 187 Range Road. Land and Development Services and Building Services moved in on January 12, and Planning and Sustainability Services and Economic Development will relocate as of March 2. We don't expect any interruptions in service. Visit [whitehorse.ca/contact-us](https://whitehorse.ca/contact-us) for info about how to reach these departments.

## Snow And Ice Removal

City crews and contractors are continuing to work around the clock to address snow and ice throughout Whitehorse. It is important to be mindful of conditions and drive carefully. Give yourself extra time to reach your destination, exercise caution and be patient with fellow travellers. Please pay attention to signage and equipment, and make sure to give space for crews to work safely. We appreciate residents' support as this important work continues.
