Your Worship, the Development Services Committee respectfully submits the following report:

### 1. New Business – Mining Exploration

As requested by Committee members, Administration provided information about the process to amend the Official Community Plan and Zoning Bylaw to allow for mining exploration in areas that are currently restricted and confirmed the draft mineral exploration and development framework is out for public engagement.

### 2. Delegate Marcus Harden, President, Gladiator Metals – Whitehorse Copper Project Update

Delegate Marcus Harden, President of Gladiator Metals, presented concerns to Council that the draft mineral exploration and development framework as proposed will limit the ability for proponents to generate the data they are required to provide, requesting that a balance be found so that acceptable mineral exploration can still proceed. The delegate responded to questions from Committee members, describing what an ideal framework would look like, and provided further details about the current and proposed processes for mineral exploration.
