Council Questions – Standing Committee May 04, 2026

1. Public Hearing Report – Zoning Bylaw 2025-37

a. At what point will Council be considering the Downtown Parking Management Plan?

Early-stage procurement is currently underway, with consultant engagement expected later this year. The project will then move through data collection, stakeholder and public engagement, and the development of recommendations. Updates will be provided to Council at key milestones, and the project is currently slated for completion in late 2028.
