TIPS FOR LANE SWIMMING

Tips for happy lane mates:

- Know your speed and choose the appropriate lane, relative to those already swimming.
- A guard may ask you to move lanes if needed.
- When stopped at the wall, stay to one side of the lane.
- Always swim in a circle pattern, even if there are only 2 of you.
- Follow proper swim etiquette.

PEAK SWIM TIMES

During Peak Swim times, we kindly ask that you limit your swim to 45 minutes to ensure everyone has a chance to enjoy the facility. Please be aware that after 45 minutes, you may be asked to exit the pool to accommodate others who may be waiting.

BUZZERS

If the pool is at capacity you may be given a buzzer, depending on staff availability. You may recreate anywhere within the building during this time. You will be buzzed once space is available.

LAP POOL PATRONS

Patrons of all ages may be asked to perform a swim test at anytime.

GROUPS OF 10+ PEOPLE

We may be unable to accommodate groups of 10+ people in any swim without advanced notice. Contact aquatic, aquatics@whitehorse.ca, 7 days prior, to determine availability.
