CITY NEWS HIGHLIGHTS JUNE 5, 2026

In Focus

Grey Mountain Cemetery Master Plan

Share your thoughts as the City plans for the future of Grey Mountain Cemetery.

We're developing a new Grey Mountain Cemetery Master Plan to guide its development over the next 20 years.

The current plan was created in 2008. Since then, the population of Whitehorse has grown and diversified.

A new master plan will explore how the cemetery can continue meeting the needs and preferences of the community, including consideration of additional options for burials and memorials.

Learn more and share your thoughts through our survey at: engagewhitehorse.ca

Survey closes Monday, June 15.

City Hall Accessibility Upgrades

A new elevator is being installed at City Hall to improve access to Council Chambers. Construction of the new elevator will continue until the end of July with the stairway being the only option to get to Council Chambers. Alternative arrangements are in place to accommodate residents with limited mobility to attend Council meetings. Please contact Legislative Services at legsvcs@whitehorse.ca for more information.

Neighbourhood Traffic Calming

Traffic calming measures are being implemented throughout Whitehorse this summer. Initiatives include the addition of bollards, speed humps, traffic-calming curbs, and more in various neighbourhoods. Learn more at engagewhitehorse.ca and check out the City's new interactive tool for requesting traffic calming measures.

Fourth Avenue Asphalt Work

Asphalt overlay work on Fourth Avenue between Ogilvie Street and Second Avenue is underway and will continue throughout June. Traffic disruptions can be expected. Road users are asked to drive with caution, obey signage, and follow directions from onsite crews.

FireSmart Plants

The FireSmart Plant Tag Program is back this summer. FireSmart Plant Tags are available at participating garden centres to help identify trees and shrubs that are less likely to endanger your home in the event of a wildfire. Visit whitehorse.ca/firesmart for more info.

Property Taxes

Property tax notices have been mailed out. Skip the line at City Hall by paying through online banking and completing your Home Owners Grant application online at whitehorse.ca/hog. Credit card payments are not accepted for property tax. Learn more at whitehorse.ca/tax.

Next City Council Meeting

The next Council meeting is Monday, June 8 at 5:30 pm in City Hall Council Chambers. City Hall is located at 2121 2nd Avenue. Please use the Steele Street entrance. Visit whitehorse.ca/meetings for more info.
