COUNCIL QUESTIONS & ANSWERS

Council Questions – Standing Committee Meeting September 21, 2026

1. Festival and Special Event Grant Allocations

a. What groups did not apply for the Festival and Special Event Grant this year and why?

There were four organizations that received Festival & Special Event Grants in 2025 that did not apply in 2026. Two organizations hosted one-time events that were not repeated in 2026, one organization did not submit an application for its event, and the remaining organization hosts an established annual event that receives substantial funding support from other sources. Applicants and events often vary from year to year, as a result changes are therefore expected.
