CITY NEWS HIGHLIGHTS NOVEMBER 13, 2026

In focus

2027 Capital Expenditure Program

City Council wants to hear from residents about the proposed 2027-2030 Capital Expenditure Program.

This program will guide the City's investments in facilities, equipment and infrastructure over the coming years.

Public Input Session
When: Monday, November 23, 5:30 pm
Where: Council Chambers
City Hall
2121 Second Avenue

Anyone is welcome to attend the Public Input Session and have five minutes to speak.

Budget input can also be emailed to budgetpublicinput@whitehorse.ca until the Public Input Session closes on November 23.

Visit whitehorse.ca/budget for more information.

Holiday Lights Tour

We invite you to share the holiday spirit and put up your festive lights between now and Tuesday, December 1. Our dedicated lights crew will be touring city neighbourhoods to create this year's maps for the City's self-guided lights tour. Add your home to our list for consideration at whitehorse.ca/lights.

Public Safety Building

The Bylaw Services office at the Public Safety Building at 305 Range Road will continue to be closed to the public to accommodate renovations. Bylaw services normally available at the Public Safety Building are available at City Hall. Vehicle for Hire matters require appointments. Contact Bylaw Services at: 867-668-8317 or bylaw.services@whitehorse.ca.

Tobogganing Fridays

Join the City for another season of Tobogganing Fridays at Shipyards Park. From 4 - 6 pm every Friday until December 18, Parks staff will be serving up hot chocolate and fun activities. Guardian supervision is required. Weekly events are weather-dependent so stay tuned to our social media channels for the latest information. For more information visit whitehorse.ca/events.

Senior Utility Rebate

The annual Senior Utility Rebate is available to Whitehorse residents aged 65 and older, or to eligible surviving spouses. The rebate is for fees paid for City water, sewer and Curbside Collection services to a maximum of $250. Apply by December 31 at whitehorse.ca/SUR.

Frost Protection

Frost protection devices should be turned on for the winter season. These include bleeders, circulation pumps, heat trace, and aqua flows. Contact Water & Waste Services at 867-668-8350 if you have questions about these devices.

Next City Council meeting

The next City Council meeting is Monday, November 16 at 5:30 pm at City Hall Council Chambers. Please use the Steele Street entrance. Find more info at whitehorse.ca/meetings.
